## **FIGMENT GROUP, INC. SELECTED BY AGRIBUSINESS COUNCIL OF INDIANA**

FOR IMMEDIATE RELEASE

July 22, 2009

Indianapolis, IN – The Agribusiness Council of Indiana (ACI) has selected Figment Group, Inc. as their preferred provider of Department of Transportation (DOT) compliance services to serve their 185 member company association.

According to Ms. Paula Carey, Executive Director of IGFA/IPFACA, “The Agribusiness Council selected Figment Group because they exceed the highest industry standards on drug and alcohol testing; Drug-Free Workplace services and offers DOT-related services our industry demands. We are pleased that Figment was willing to work with IGFA/IPFACA to support the organization”.

“Customized Drug-Free Workplace Programs and innovative DOT Compliance Solutions are what industries are demanding, and we at Figment Group have responded,” said Jim Wellnitz, Senior Vice President. “We are well-positioned to offer the Council’s members a single source for total DOT compliance while meeting individual company requirements.

The Agribusiness Council was formed from the Indiana Grain and Feed Association and the Indiana Plant Food and Agricultural Chemicals Association. To assist their members, the Council looks for partners to help members help their business. They thoroughly research programs so members do not have to spend staff time looking at options to meet their service needs.

Figment Group, Inc. is a leading Indiana provider of Federal Regulatory Consulting, Drug-Free Workplace and Safety Compliance Services. They proudly serve 16 industries in the Midwest and the West Coast. Figment’s goal is to make Drug-Free Workplace requirements and DOT compliance cost-effective and hassle-free.

Figment Group is affiliated with the Drug & Alcohol Testing Industry Association (DATIA). Mary Wellnitz, CEO/President is a member of DATIA’s *Drug-Free Workplace Committee*.
